

## **Infranity appoints Romain Le Melinaidre as Executive Director of the Equity Investment Team.**

**Paris, November 21st 2022** - Romain Le Melinaidre has been appointed Executive Director of Infranity's Equity Team, where he will be responsible for origination and execution of investments. The team currently consists of 6 experts based in London and Paris and it is co-managed by Louis-Roch Burgard and Jaime Hector.

Infranity is an asset management company specialized in sustainable infrastructure investments. The company currently comprises 45 professionals and it has more than €7 billion of assets under management invested in debt and equity. Through its investment strategies, Infranity allows its investors to benefit from the resilience of the asset class, its long-term stable returns and its ability to contribute to sustainable development.

**Gilles Lengaigne, Founding Partner of Infranity**, said: *"We are delighted to welcome Romain Le Mélinaidre whose knowledge of the sector and experience as an infrastructure investor will benefit the entire team. His expertise across the whole investment cycle, from origination to asset management, will strengthen our ability to deploy capital in higher value-added investments, and enable us to best meet our clients' needs. This is a key element in expanding our equity strategy and one which will be drawn upon by Louis-Roch Burgard and Jaime Hector, co-heads of the business."*

**Romain Le Melinaidre**: *"Infranity has many of the attributes needed to establish itself as a leading player in infrastructure investment in Europe, as evidenced by the success of its financing activity. The platform is growing strongly, driven by a depth of expertise in the asset class and a sustainable investment approach that appealed to me, while the need for investment in decarbonisation and digitalisation remains high. I come with complementary sectoral knowledge and the desire to accelerate the development of Infranity's Equity strategy. I am also delighted to be working with Louis-Roch Burgard and Jaime Hector, two renowned figures in the world of infrastructure investments, with whom I share a common vision."*

### **About Romain Le Melinaidre :**

Romain started his career in 2008 in ABN AMRO's investment banking team in London as part of a Graduate Program. In 2011, he joined the Corporate Finance department of Société Générale in Paris where he had the opportunity to advise on several transactions in the infrastructure sector. He then joined InfraVia Capital Partners at the end of 2013 as an Investment Manager and later as an Investment Director, where he was particularly active in the field of digital infrastructure in Europe.

Romain is a graduate of the Grande Ecole program at EM Lyon (MSc) and of Thunderbird (US).

## About Infranity

Infranity S.A.S. is a simplified joint stock company, registered with the Paris Trade and Companies Registry under number 831 266 721. Its registered office is at 6 rue Ménars, 75002 Paris. It is authorized as a portfolio management company by the Autorité des Marchés Financiers ("AMF") under number GP-19000030 (the "Management Company"). Infranity is an asset management company specialized in infrastructure investments. The company, founded by three partners Philippe Benaroya, Alban de La Selle and Gilles Lengaigne as part of a strategic partnership with the Generali Group, is part of the Generali Investments ecosystem of asset management companies and currently manages more than €7 billion in commitments from institutional investors. Infranity's investment solutions are based on the resilience of the asset class, its long-term stable returns and its ability to contribute to sustainable development. They respond to major societal challenges such as the energy transition, green mobility, digital transition and the improvement of social infrastructures in the health and education sectors. This positioning, combined with a high level of selectivity in the investment process, enables Infranity to generate sustainable value for its clients.
