

## Infrastructure Asset Management Investor Relations Internship at Infranity, Paris, 6 months

Infranity is an independent Asset Management Company dedicated to infrastructure investments, with c.€8.5bn in AUM. The Company was founded in March 2018 by three Managing Partners: Philippe Benaroya, Alban de La Selle and Gilles Lengaigne, as part of a strategic partnership with the Generali Group – a leader in insurance and asset management in Europe.

Infranity covers a broad investment scope across a variety of sectors and geographies and invests in infrastructure Private Debt and Private Equity through various strategies on behalf of the Generali Group and external institutional investors (insurance companies, pension funds, sovereign wealth funds).

Infranity has one of the most experienced investment teams in the infrastructure industry and is growing at a rapid pace with offices in Paris and London.

Infranity is characterized by an international and dynamic environment where the ideal candidate will be motivated in participating in the increasing success and expansion of the Company.

### Description:

We are pleased to offer a **6-Month Internship in Paris starting in September 2023** where the intern will acquire practical financial services skills, develop asset management competence, hone their multi-tasking abilities, and develop an intimate know-how of the infrastructure industry and its constituent asset classes.

The successful candidate will join a team of 6 Investor Relations professional spread across Paris and London.

Drive, self-motivation, a volunteer attitude, and the ability to demonstrate professionalism in working with people at all levels will be the determining factors in the selection process.

The position will be exposed to a wide range of topics within the Investors Relations Team and will be responsible for:

- Supporting the Investor Relations team and the CEO in the fundraising process through the creation and regular update of presentations to clients, the completion of Due Diligence Questionnaires (DDQs), and Request for Proposals (RFPs)
- Maintenance of the client database and client documentation
- Running analysis and monitoring of market conditions and competition
- Drafting news items and communicating company news through various channels – Website, LinkedIn etc.

### Required attributes:

- Student in Finance, Business Administration or Marketing/Communication with finance component (HEC, ESSEC, ESCP, Dauphine etc...)
- Strong work ethic
- Fluent in English. A knowledge of French will be beneficial.

- Good communication skills and ability to articulate complex topics in a clear and concise manner
- Motivated, curious and good team player with ability to work within a global team
- Strong time management skills, with ability to handle multiple projects in a timely manner
- Technical knowledge of fixed income in general, specialist knowledge of infrastructure and/or private debt securities is a plus
- Advanced skills in the use of softwares: Excel, PowerPoint and Word

**Benefits:**

- Competitive Salary
- Meal plan (ticket restaurant)
- The group takes over 50% of transport costs
